

Celebration of Research Day

The research efforts of all Faculty Members and Students are supported and acknowledged. The proposed research policy provides mentoring, facilitates and fosters industrial collaboration and identifies and disseminates research opportunities and collaborations leading to an excellent environment for Researchers, thus, looking forward to their contribution in extending this culture for research.

This celebration will be held once in a year in the name of our Hon'ble Founder Chairman "Shri Ved Prakash Goel ji".

The faculty members and students will be invited to present their research papers before expert panel and the decision will be made accordingly. Based on the merits and the recommendations of the panel, two best papers will be awarded.
