NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the First Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the Second Party.

Clause 2

SCOPE OF THE MOU

Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

The First Party will give valuable inputs to the Second Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.

The interaction between Apptther Mobility Technologies Pvt Ltd and ABES Engineering College will give an insight into the latest developments /requirements of the industries; the First Party to permit the Faculty and Students of the Second Party to visit its group companies and also involve in Industrial Training Programs for the Second Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The First Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the Second Party.
