Dear All,

The Department of Computer Science organized **"Margdarshan": Session-11 on "Guidance for Winning in Smart India Hackathon-2022",** under the aegis of Department of Computer Science in collaboration with ABES ACM and ABES ACM-W Student Chapter on 23rd March 2022, Wednesday. The session was conducted on MS-Teams from 5:30 pm to 6:30 pm. Students of 2nd year, 3rd year and Faculty Members of the college attended the session.

Mr. Mayankesh Mishra, CEIT final year student and Frontend Developer at Josh Technology Group, delivered his experience and guidance of participating and winning the Smart India Hackathon (SIH) in the session. First Prize Winning team of ACM Hackathon 2021: Ms. Sanjana Jain (III Year, CEIT), Ms. Ishika Verma (III Year, CEIT), and Ms. Astha Rai (III Year, CEIT) also shared their experience.

The following are the glimpses of the Session:-

- Speaker discussed the pathway for participating in a hackathon.
- He focused on "**Team strength**" and positive attitude. Also gave emphasis on "Problem Selection" and "Presentation".
- He also illustrated his Presentation of Smart India Hackathon 2021.
- As per his experience and guidance, "**Team selection**", "**Problem selection**", "**Presentation**" and "**positive attitude**" are the main pillars of winning a Hackathon.
- Ms. Sanjana Jain shared their experience of the 2021 ACM-W hackathon's initial round.
- Ms. Astha told the students about the prototype round in the 2021 ACM-W hackathon.
- Ms. Ishika focused on the "**team spirit**" during a hackathon.
- Speakers laid emphasis on positive attitude, team importance, and good presentation, are the important key factors to win a hackathon.

At the end Vote of thanks was given by Ms. Sapna Jain, Assistant Professor, Department of Computer Science.

Career Guidance and job opportunities as Developers with Meta (Facebook)

Dear all,

The Department of Computer Science at ABES Engineering College, Ghaziabad organized a Mentorship program under ABESEC ACM and ABESEC ACM-W on the topic **"Career Guidance and Job Opportunities as Developers with Meta (Facebook)", on 22 April, 2022**. The session was delivered by Mr. Akash Puri, an Alumnus of ABES Engineering College and working as **Solution Architect - Meta (Facebook)** (2014 pass-out).

Talk Covered the following points:

- Bridge the gap between the Academia and the industry
- Career Guidance was provided to the students
- Entrepreneurship guidance
- Various interview patterns and preparation processes for interviews.
- Different job profiles & career growth opportunities at Meta (Facebook).
- Advantages of academic Curriculum, seminars, projects undertaken, software skills, etc. in job selection.

Mr. Akash puri, expressed his support for Internship as well as how he started his Journey with his own start-up and moved to Meta (Facebook). As Facebook does not hire technical guys from India, as per the policy of the Meta, but still Mr. Akash Puri, an Alumnus of ABESEC is the First person to get selection by Meta as a Solution Architect.

He talked about the various role in which the students can learn and opt as a career. He laid emphasis on the very basic to learn Data Structure and Algorithms. He told to the students that the first prerequisite of the Industry is the knowledge of Data Structure and Algorithms.

Dear All,

Greeting of the Day!!!

The Department of Computer Science, ABES Engineering College, Ghaziabad has successfully conducted "मार्गदर्शन": Session-13 on 30th April 2022 (Saturday) from 10:00 AM onwards. The talk was delivered by Dr. Akshay Agarwal, postdoctoral scientist at the University at Buffalo, New York, USA. The objective of the session was to make students aware of careers in Artificial Intelligence.

200+ students have attended the session and cleared their doubts. It was conducted on MS Teams.

The details of the interaction were as follows:

Topic : “A Career in Artificial Intelligence”

Resource Person : Dr. Akshay Agarwal, postdoctoral scientist at the University at Buffalo, New York, USA.

Date : 30th April 2022

Time : 10:00 AM onwards

Target Audience : 2nd year Students & Faculty Members

Coordinator: : 1. Mr. Ankit Kumar, Sr. Asst. Prof. CS
2. Mr. Somya Srivastava, Sr. Asst. Prof. CS

Convener : Prof. (Dr.) Pankaj Kumar Sharma, HOD-CS

The following points were discussed in the session:

1. A brief about Machine Learning and its basics.
2. Transformations of AI from computer vision to Natural Language Processing to Robotics
3. Applications of AI in Real life.
4. Career Paths in AI in the field of Academic/ Research, Industry/ Startups
